Realistic Log Set with Heater

Log Sets - Duraflame

This energy efficient electric log set with heater can effectively warm a room up to 400 sq. ft. The flame effect can be enjoyed with or without turning on the heat so you can enjoy the ambiance of a fire year round, and the included remote control adds extra convenience. The Log Set plugs right in to any standard 120 volt 3-prong outlet and can be used in an existing fireplace.
