## WOOD FIREPLACES (EXEMPT)

# FP16 ST-LAURENT - LINEAR WOOD FIREPLACE

**Manufacturer code**

FP16

**MSRP**

**\$5549,00**

**UPC code** 773388128870

A decorative fireplace with legendary proportions.

The new Valcourt Saint-Laurent (FP16) is an extra-large linear wood-burning fireplace with a "guillotine" glass door and screen, which open easily and smoothly into the cavity above the fireplace.

This feature enables easy wood loading. Installation is made with 8 inches chimney.

### EQUISS FREESTANDING LOG HOLDER

This compact and robust log holder is entirely manufactured in Canada and made of high quality steel. Its integrated handles make handling easier. The assembly is done in seconds; simply intersect the two panels and voila! A cuttable rubber band is also available to provide protection for the floor surface and to give it a finishing touch. Once the heating season is over, this free standing log holder is easy to take apart and will not clutter your living space.

### 48" WOOD STORAGE WITH FINISHING TRIM

Built-in or freestanding, configurable vertically or horizontally, you will appreciate the versatility of this wood storage unit. It will most certainly find its place in your decor, whether next to your wood stove, close to your heater or the entrance where it can be used as a bench when positioned horizontally. For a pure and minimalist décor, the box can be integrated inside one of your walls. A finishing trim is provided for this flawless look. Very sturdy, this heavy-steel (14 ga) wood storage is powder-coated and can accommodate logs up to 18" in length. The steel frame contains four concealed wooden blocks to prevent premature wear of your floors. An accessories storage drawer (17" x 15" x 6") is available as an option. Conveniently put away the poker and shovel included with this drawer! Delivered in a compact package, this wood storage unit is very easily assembled. You will be impressed! Made in Canada.
